PROFILE:

Graduated a M.Sc. from the joint degree Erasmus Mundus of Excellence in Clinical Linguistics. Currently, a PhD student at the collaborated programs – University of Groningen, the Netherlands; University of Potsdam, Germany; University of Trento, Italy; Newcastle University, England; and Macquarie University, Australia. Main academic interests include language testing in awake brain surgery, cross-studies in aphasiology, developmental language disorders, and neurological rehabilitation.

CURRENT RESEARCH GROUPS:

- Neurolinguistics Team, Groningen, the Netherlands
- Center for Language and Cognition (CLCG), Groningen, the Netherlands
- Research School of Behavioural and Cognitive Neurosciences (BCN), Groningen, the Netherlands

EDUCATION:

Graduate Level (PhD Student)

International Doctorate for Experimental Approaches to Language and Brain (IDEALAB) (2017-present)
University of Groningen, the Netherlands
University of Potsdam, Germany
University of Trento, Italy
Newcastle University, England
Macquarie University, Australia

Graduate Level

Erasmus Mundus of Excellence in Clinical Linguistics (EMCL) (2015-2017)
University of Groningen, the Netherlands
University of Potsdam, Germany
University of Eastern Finland, Finland

Undergraduate Level

Chulalongkorn University, Pathumwan, Bangkok, Thailand (2011-2015)
Faculty of Arts,
Honor Program in English (Linguistics and Translation)
English Major, Linguistics Minor
First class honor, GPAX 3.78

RESEARCH/ACADEMIC ACHIEVEMENT:

- **Thai Student Academic Conference (TSAC), Brussels, Belgium, 2018**
Oral presenter on the study titled, "Awake Brain Surgery and Intraoperative Language Testing in Low Grade Glioma Patients: A Tonal Word Matching Task in Thai"; won the most outstanding presentation award
- **European Workshop on Cognitive Neuropsychology, Bressanone, Italy, 2017**
Poster presenter on the topic "Structural Frequency: A Factor Implicating Sentence Comprehension in Thai Agrammatic Speakers"
- **Academy of Aphasia 55th, Baltimore, Maryland, USA, 2017**
Presenter of the study titled "Passive Sentence Comprehension in Thai Agrammatic Speakers"; won an award for the best presenter
- **Language Testing in Awake Brain Surgery, 2016**
Poster presenter on "Language Testing in the Right Hemisphere in Low Grade Glioma Patients: Tonal Word Matching Task"
- **Thought, 2016**
Publication of a study "A Cross-Cultural Study of the Conceptual Metaphor IDEAS ARE FOOD"
- **English Language and Literary Studies (ELLS2), 2015**
Presenter on Cognitive Science "Conceptual Metaphors"

GLOBAL PARTICIPATION/WORK EXPERIENCES:

- **Erasmus Mundus of Excellence in Clinical Linguistics (EMCL) 2016**
Graduate student 'Embassador' in neuro/cognitive science
 - **27th Youth International Youth Forum, Korea "World Health and Youth" 2016**
Selected as a Thailand candidate to participate in an international forum
 - **Globe to Globe, Hamlet 2015**
Liaison officer for all the crew from Great Britain
 - **Visegrad, 2015**
Participated in "Chulalongkorn University-Visegrád 4 Collaboration Project (CU-V4)"
 - **56th International Mathematical Olympiad 2015**
Leader/ Senior liaison officer, organized and collaborated work along organizations
 - **ASEAN Brunei, 2015**
Selected as a student ambassador to share and exchange cultures and experiences both socially and academically in Brunei – University of Brunei Darussalam
 - **25th Youth International Youth Forum, Korea "Youth and World Peace" 2014**
Selected as a Thailand candidate to participate in an international forum
 - **Inha Summer School (exchange student) 2014**
 - **IDEA 2013 (Intercultural Discovery and Exchange in Asia), Taiwan**
Selected as a delegate to participate in an international program that explores the cultural differences between countries and the diversity of people
 - **42nd International Physics Olympiads 2011**
Liaison officer for French and Belgium teams, guided and interpreted for them
-
